Mrs. Flora Bradley, who has been very sick with pneumonia, is somewhat better.

Mr. and Mrs. E. H. Studebaker of South Bend, Ind., are stopping at the New St. Charles Hotel. Mr. Studebaker is a member of one of the largest manufacturing concerns in the world, and is in Mason county in the interest of the firm.

Sterling Silver goods are gradually advancing. One advance in price since January 1st, another looked for. We have a very large stock on hand and will offer them at the old prices. Now is your opportunity for bargains. P. J. MURPHY, the Jeweler.

Mr. David Sloan died at his home in Watseka, Ill., last week. He was born in this city in 1819. When he was a young man he moved to Byrd township, Brown county, O., and in 1840 was married to Miss Esther Menough. He was an ardent Republican. The widow, over 87 years of age, survives him.

The LEDGER generally brings gratifying results, hence the following taken from The Cincinnati Times-Star is given place in its columns: Miss May McElfresh, who left her Maysville home five years ago and is now living in this city, is anxious to locate her father, Wesley McElfresh, or her sister, Isabel, both of whom left Maysville for some other point several years ago.

Mr. Gerard C. Smith, accompanied by his sister, Miss Smith, is registered at the New Central. Mr. Smith in his young manhood was connected with the drughouse of Seaton & Brodick, prominent in business here for many years. He went from here to Pittsburgh, and has gradually grown into a position of independence, being now the Vice-President of the National Lead Company. His many friends here will be glad to know that he and his sister will be here several days.

SOCIAL EVENTS

A recital of music given by the Sisters of Loretta to their class on yesterday afternoon was a decided success. The pupils entertained their audience with a program, the rendition of which showed faithfulness to duty from teacher and child.

The parents expressed themselves as well pleased, finding but one fault with the numbers, they said—too short.

The prize souvenir was carried by Miss Catherine Devine and the one that brought much merriment by Miss Edna Leonard.

As "Success" is the motto of the class, we trust the remaining part of the year will be crowned with it for them.

Wilmington (Md.) Daily News, February 25th.

Mr. and Mrs. Charles Lambert, Decatur street, and Mr. and Mrs. Arthur Price of Lonaconing last evening gave a reception at the Lambert residence, this city, in honor of their guests. Mr. and Mrs. Herbert Frankenberg, who are spending a portion of their honeymoon in this vicinity. Mrs. Frankenberg is a sister of Mrs. Lambert and Mrs. Price, and was formerly Miss Henrietta Davis of Maysville, Ky. She spent several weeks among friends here two years ago. A large number of out-of-town guests were present at the reception.

Mr. and Mrs. Lambert and Mr. and Mrs. Price were assisted in receiving by Mrs. William White, Mrs. Lou Rosenbaum and Mrs. S. Hamburger, the latter an aunt of the bride. The bride was gown in her wedding dress of white silk covered with white mull, embroidered in white satin roses and Duchess lace.

Potted plants and decorations of pink and white gave added beauty to the pretty costumes of the ladies, and the table decorations, where refreshments were served throughout the evening, were of pink and white. Robert Moulton was caterer.

This afternoon Mrs. S. Hamburger will entertain at her residence on Washington street in honor of the bride and groom.

Mr. and Mrs. Frankenberg will leave next Tuesday evening for Charleston, W. Va., the home of the groom, where they will reside in the future.

WOULD WEAR WELL!

But Just Think of a Swell Suit of Beefsteak!

When Uncle Sam's Supreme Court decided that the Beef Trust was an unlawful combine "in restraint of trade," and that it mustn't do it any more, there were people green enough to believe that the "hoisting of the Trust" was going to make beefsteaks so cheap and tender that even an Editor could afford to buy and eat them.

But that the aim of the Court and the hope of the commune have gone awry, was illustrated by an incident in a local menutery a few days ago.

Several ladies were filling orders in an effort to reach hubby's heart by the stomach route, when one, whose wiser half is a drygoods man, complained of an inferior roast that she had gotten recently.

"Oh, well," said Mr. Cleaver, "those things will happen; sometimes you get poor meat, and sometimes a piece of drygoods isn't what it ought to be, and occasionally one gets a suit of clothes that doesn't pan out all right."

"Well, if you had a suit of clothes made from the beefsteak you sent me yesterday, you would be wearing it when Gabriel blew his horn," was the warm retort that came from one of the ladies whose husband prides himself on the style and quality of the toggery he sells.

And you could have heard a dew-drop.

CONFIDENCE NOT MISPLACED

Actor Edward N. Hoyt Showed That He Was a Gentleman

The return of actor Edward N. Hoyt to this city several days ago recalls an incident, known to a very few, that transpired here several weeks ago.

It will be remembered that Mr. Hoyt met with reverses during his engagement here and he was stranded.

Notwithstanding he was the beneficiary of a home talent entertainment, the receipts therefrom fell far short of liquidating his indebtedness.

In this quandary he appealed to the good graces of a Court street lawyer, a Minister and a citizen for the loan of a sum sufficient to purchase transportation for himself and wife to New York City, where he had the promise of an engagement at \$50 per week.

The gentlemen approached were in a sense entire strangers, yet the impress of honesty in the man's face won the day and he was given a sum sufficient to take him and his wife East.

That the confidence thus bestowed was not misplaced was realized a few weeks after by the donors receiving a check for the full amount.

This is made mention of simply to demonstrate that it is not always best to give the marble heart in all cases when appealed to for aid and sympathy.

It is just such incidents as the above brotherly love act that make life worth the living.

Every man who asks for aid is not a rascal, neither are those appealed to possessed with hearts of stone.

They will return to Fort Thomas on Monday morning.

A Dress Goods Budget.

Ponder it carefully, profit by it quickly. There is helpful suggestion in it, on cotton dress goods serviceable and popular.

CORDED MADRAS 12½c a Yard.

Fine, 32-inch Corded Madras as excellent in weave as goods from Scotland that sell at 25c a yard. Colorings are the clearest and prettiest we've seen and there are thirty-two different patterns. Here is your summer supply of shirt waist suits at a trilling cost.

BOURETTE SUITINGS 18c a Yard.

An excellent reproduction in cotton of high grade wool covers. A two toned effect is produced in the weaving with a charming color play resulting.

FANCY SATEEN 15c a Yard.

Sateen is too old-fashioned a name for this clever silk imitation. In appearance, in texture, in luster, in actual feel it con-

terparts the product of the silk worm. Many colors in patterns of delightful variety.

The Spring Embroideries.

The new Embroideries include some of the most beautiful needlework we have ever shown. Our stock is unusually extensive because of the irresistible loveliness of this season's designs. Many patterns on fine but firm, closely woven are exact reproductions of handwork. They look like the embroidered strips of our mother's days—solid well filled scallops with vine patterns in raised effect above. But why be satisfied to read about all this beauty when the seeing is so much more satisfactory? Let us show you instead of telling you. To generalize we have

Edgings of Nainsook, Cambric and Swiss Muslin 10c to \$2.50 a yard.

Insertings of similar materials 10c to \$2.85 a yard.

Flouncings of Nainsook and Swiss embroidered and lace trimmed 25c a yard to \$3.75.

Plain, plaited and lace trimmed Allover 35c to \$5 a yard.

OFFICE—PUBLIC LEDGER BUILDING, MAYSVILLE, KY.

[illegible]

TEN days after THE LEDGER had announced the complete collapse of the Burley Tobacco Growers Association, President W. B. HAWKINS, Secretary E. E. BARTON and Attorney ARCHIBALD STUART issued an "official" statement corroborating THE LEDGER. If the tobacco growers—and all the rest of mankind—want facts and not fiction, let them read THE LEDGER.

A DISPATCH from Hattiesburg, Miss., says that WILLIAM KANE, a New Orleans man who has just been removed from that place to the Meridian Asylum, is physically vigorous, but is without brains. Two months ago in a railroad accident his skull was partially torn away and his brains scattered about on the ground. He is now well except that his brains cannot be replaced. Next thing Mr. KANE will be promoting a Tobacco Trust.

C. H. GREGG, TAXPAYER.

The big gorge above Cincinnati broke Tuesday, hurling with irresistible force thousands of tons of ice upon helpless craft, crushing some, sinking others and driving still others high upon the banks. The steamer New South was caught by the flocs and carried away; the Virginia was greatly disabled; some 150 barges were heached and warped. Altogether the damage will run into the hundreds of thousands of dollars. The Marmet Coal Company lost four coalboats, containing 100,000 bushels of fuel. The greatest losers by the present break-up will be the Monongahela Consolidated Coal and Coke Company. A few days ago the towboat Delta was sunk. The boat was raised and put back into service after the expenditure of several thousand dollars. Three days ago the towboat Relief was sunk.

 PRICES, 75c, 50c and 25c

A Chicago Alderman Owns His Election to Chamberlain's Cough Remedy.

"I was healthy and conscientiously recommended Chamberlain's Cough Remedy for affections of the throat and lungs," says Hon. John Shenick, 220 South Peoria street, Chicago. "Two years ago, during a political campaign, I caught cold after being overexposed, which irritated my throat, and I was finally compelled to stop, as I could not speak aloud. In my extremity a friend advised me to use Chamberlain's Cough Remedy. I took two doses that afternoon and could not believe my senses when I found the next morning the inflammation had largely subsided. I took several doses that day, kept right on talking through the campaign and I thank this medicine that I won my seat in the Council. This remedy is for sale by all Druggists."

In France there are 6,000,000 smokers, and of every fifteen there are eight who smoke a pipe, five who smoke cigars, and only two who use cigarettes. Still the French consume more than 800,000,000 cigarettes a year.

If Constipated, Do This.

This offer may not appear again. There is no catch about it. If Mull's Grape Tonic does not positively cure Constipation you are out nothing, as you may have the first bottle free. If it cures, which it will, tell others; that is all we ask. No remedy has ever before been known to cure Constipation permanently. Mull's Grape Tonic is not a physic. It is unlike anything you have ever used. It cures Constipation. If it did not this offer would ruin us. The process is gradual but sure. You know from your own experience that physics, like Pills, Salts, Castor Oil, Mineral Waters, Laxatives, etc., make you worse. Where can Mull's Grape Tonic be had? Your Druggist sells it. The 11 bottle contains nearly three times the 60c size, but if you will write today to Mull's Grape Tonic Co., 317 Third avenue, Rock Island, Ill., and give Druggist's name, you will receive the first bottle free with full instructions. This gives us a chance to prove to you of our expense that it is a wonderful remedy and places you under no obligation to invest a penny. Only tell your friends about it.

SAY!

You people who have been buying river coal all winter, have you noticed your pile lately? It's going down mighty fast, isn't it? Well, now, that is caused by the ice in it melting. In our coal you don't get any of that. You get nothing but nice, clean coal arriving from the mines most every day. Then our coal is worth a trial, isn't it? Call up 69 and we will tell you more about it. Remember, we also handle Salt, Sand and Baled Hay.

Yours truly,
W. R. DAVIS,
Limestone Street.

HAPPY WOMEN.

Plenty of Them in Maysville, and Good Reason For It.

Wouldn't any woman be happy. After years of backache suffering. Days of misery, nights of unrest. The distress of urinary troubles. She finds relief and cure? No reason why any Maysville reader should suffer in the face of evidence like this:
Mrs. Lizzie Burns, living on the Blue Run Turnpike, West End, Maysville, Ky., says:
"My opinion of Doan's Kidney Pills which I expressed through our newspapers in the spring of 1900 has not altered. I value this preparation more highly today than I did when I gave my first testimonial. Before I got Doan's Kidney Pills at J. Jas. Wood & Son's drugstore I was troubled with severe spells of backache, and kidney complaint, which came on every three or six months, and there were times when I was confined to my bed and rendered almost helpless. The quick and decided benefit I received from Doan's Kidney Pills was wonderful. I have noticed slight returns of backache since, but an appeal to Doan's Kidney Pills has never failed to quickly and positively check the trouble. In every case I know among my friends when Doan's Kidney Pills have been used the results have always been satisfactory."

"There Isn't One Really Good Printer in Five Hundred."

Printers talk—the leading journal on publicity of all kinds—has the following to say: "There are thousands of printers in this country, good, indifferent, and a lot of bad ones. There isn't one really good printer in five hundred. Indifferent printers are willing to pay for good printing, no matter when it comes from."
Printers talk knows what it is talking about. Poor printing is a bad investment—it's worse than a blank. A business man's stationery or booklet is like a traveling man—if it's neat, well-dressed and to the point, the first impression is good and your chances of doing business on the strength of it are good.
We realize this. We keep abreast of the times. We know what good printing is and produce it. We are pretty careful not to let a jump job get onto our presses. No press in the country can better our printing and we want you to know it.
